

I-Joist Engineered Flooring

Available through Elliotts Sales Hub

STEICO
engineered by nature

The cost effective solution for floors, walls and roof applications. We offer a free in house design service for all your I-Joist requirements

The Steico I-Joists are cut to size and packaged ready for delivery from our manufacturing operation in Christchurch allowing us to take complete control of your order.

The benefits of using the Steico I-Joist system

- Cost effective
- Extremely quick and easy to install
- Do not distort (bow, cup, twist)
- Do not split
- Structural and dimensional stability
- Combine high strength and lightweight
- Virtually no shrinkage eliminating squeaky floors
- Environmentally sustainable
- Elliotts free design service

Elliotts | sales hub

At our Sales Hub in Southampton we offer a design service for engineered timber. Andrew Drummond, our in house designer, can produce an I-Joist design package from your drawings and schedule your deliveries.

Just send us your drawings and specifications and we will do the rest.

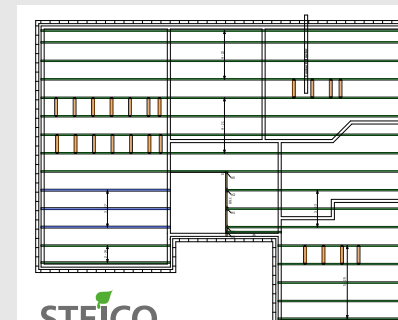

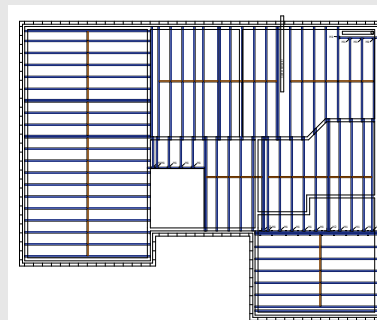

E andrew.drummond@elliotts.uk **T** 023 8038 5339

When compared with timber joists, Steico offers savings in both installation time and cost. Below we have shown a guide to potential saving, this will vary from design to design.

Timber Joist Floor

Steico Joist Floor

Versus

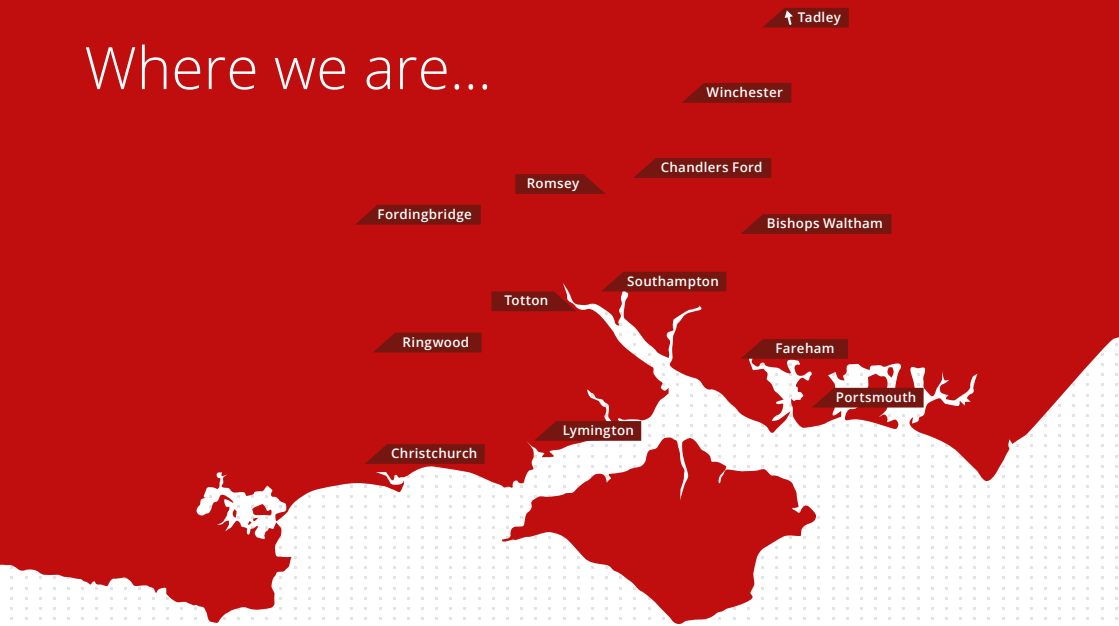

80	Number of Joists (#)	24
10	Bolts & Washes (#)	0
20	Hangers (#)	5
20	Solid Blocking (m)	0
0	Partition Noggings	25
9	Waste Joints (m)	0

Install time
18 hrs

Install time
5 hrs

Potential Material and Labour Saving of **£500**
